

Let us pay you to lower your energy bills

If you have been waiting to replace your home's water heater or furnace, now is the time!

Save money when you upgrade, or purchase, natural gas equipment or a thermostat for your home or business.

Liberty is offering a rebate to our Missouri customers on the purchase of high-efficiency ENERGY STAR® natural gas home heating and water heating equipment.

Some rebates include:

- **\$25** for a programmable thermostat
- **\$125** for a natural gas high-efficiency tank water heater
- **\$200 - \$300** for a natural gas high-efficiency boiler
- **\$200** for a natural gas high-efficiency tankless water heater
- **\$200 - \$300** for a natural gas high-efficiency furnace

Mail rebate form to:

Liberty Energy Efficiency

By signing, the installer/inspector attests this information accurately reflects the equipment has been installed in compliance with the manufacturer's specifications for the new equipment. Any and all equipment associated with this rebate must be installed in compliance with required local, state and federal codes. Any tests or inspections that may be required for the verification of such are the responsibility of the customer or installing contractor.

Must print and sign before mailing

Customer Signature _____ Date _____

By signing, the customer acknowledges having read and understood the terms and conditions of Liberty's High-Efficiency Rebate Program. The customer certifies that all the information provided is true and correct and that the products for which the customer is requesting a rebate meet the requirements of the program.

Terms and Conditions Program provided by Liberty and administered by Energy Federation Incorporated (EFI) for Liberty. Rebate payments will be issued by EFI after all appropriate documentation has been received. Funding for this program may be limited; eligible rebate applications will be processed pending available funds. This rebate is offered to Liberty's Missouri customers who are served under either Liberty's Residential Firm Service Rate or Liberty's Small General Service Rate. Liberty offers this program in cooperation with the Missouri Public Service Commission. Liberty reserves the right to conduct field inspections to verify equipment installations. Liberty does not guarantee the performance of the installed equipment either expressly or implicitly. © 2012 Liberty. All rights reserved
