RIDER XC

Sheet 1 of 1 Sheets

APPLICATION:

The applicable provisions of this rider will apply, in amendment to the regular provisions of filed Commercial and Power Rate Schedules, under the following provisions:

1. If the Customer requires the Company to maintain distribution transformer capacity in excess of that reasonably required for the Customer's service, or requires multiple transformer installations on a single meter, or
2. If the Customer's use of welding or other equipment characterized by fluctuating or severe demand, necessitates the installation of additional or increased facilities in order to serve such Customer, or
3. If the Customer utilizes the Company's service for the operation of X-ray equipment, or
4. If the Customer requires the Company to install and maintain other special or additional equipment not normally provided by the Company for the Customer's rate or service classification.

SPECIAL OR EXCESS FACILITIES:

If the Company, for the service of the Customer, is required to install and maintain distribution transformers having a total Kva rating numerically greater than 150% of the Customer's highest Reserved Capacity during the year ended with the current month, in accordance with the Customer's request, or if necessitated by the operating characteristics of Customer's equipment, the Customer will pay an added monthly charge of 1.5% of such excess investment by the Company.

If the Company, for the service of the Customer, is required to install and maintain multiple transformers or transformer banks on a single primary metered service, the Customer will pay an added monthly charge of 1.5% of the investment in the multiple transformers or transformer banks and primary distribution to same, starting with the first pole after the meter pole and including metering costs in excess of those provided for in the rate.

If the Company, for the service of the Customer, is required to install and maintain other special or additional facilities not normally provided by the Company for the Customer's rate or service classification, the Customer will pay an added monthly charge of 1.5% of such excess investment by the Company.

X-RAY EQUIPMENT:

Where service is supplied for the operation of X-ray equipment, and in the event the Customer's Reserved Capacity is determined by estimate, based upon the Connected Load, the X-ray equipment will be excluded from the Connected Load in the determination of the Customer's Reserved Capacity.
