MUNICIPAL GENERAL SERVICE  
RIDER M

Sheet 1 of 1 Sheets

APPLICATION:

This rider will apply to all lighting and power service furnished to incorporated communities, other than street lighting or traffic control or other signal services.

RATE:

The established applicable rate schedules currently in effect in the City for electric service will be amended as follows:

DISCOUNT:

A discount of 30% will apply to each schedule. No bill, which exceeds the minimum after discount, will be greater than \$0.0897 per kilowatt-hour. Beginning one (1) year from the effective date of January 1, 2006 the rate limiter will be discontinued and the discount will become 20%. Two (2) years from the effective date the discount will become 10%. Three (3) years from the effective date the discount will be discontinued and this tariff will expire.

PAYMENT:

All bills shall be rendered on or near the first of each month and shall be due on or before the 25th day of each month succeeding the month during which service was rendered.

CONDITIONS OF SERVICE:

1. A separate bill will be rendered for each individual location or class of service hereunder.
2. The above discount will apply only in event the Company serves the City under the terms of electric franchise.
3. The amount resulting from the above discount, together with the amounts from corresponding discounts under schedules for other electric service and the amount of any payment provided by agreement with the City, will be accepted as full payment of any occupation tax, franchise tax, or any similar tax or charge for maintenance of facilities, based upon revenue, consumption of energy or otherwise.
4. The above discount will apply only in event the City utilized the Company's service for its entire requirements for electric or power service.
5. Except as provided, herein, all terms and provisions of the applicable rate schedule will be in full force and effect.
