

Surprise parties? Fun!  
Surprise bills? Not fun.

Summer is just around the corner and that means higher temperatures. This can lead to more energy use resulting in a higher bill.

Liberty's Average Payment Plan (APP) helps you avoid seasonal fluctuations in your bill so you can plan ahead and keep the surprises to the parties.

**Keep summer fun.

## Keep the summer fun going with these energy saving tips!

Replace your central heat/air filter once a month. Dirty filters restrict airflow, significantly increasing energy use.

Unplug any battery chargers or power adapters when electronics are fully charged or disconnected from the charger.

Close window shades during the day to keep summer heat out.

Turn your thermostat up. The hotter it is outside, the harder your cooling unit has to work to keep the temperature inside cool. Turning your thermostat up, even a few degrees, can help lower your energy bill.
