- 8) 11-digit location number to report outages or to use automated account information by phone.
- 9) Service address - this is important for customers who have multiple accounts.
- 10) Meter number, previous meter read, current meter read, and usage information.
- 11) Liberty service includes a fixed monthly customer charge, no matter how much water or electric is used.
- 12) The usage charge is for kilowatt hours (Kwh) used by a customer. The charge for each Kwh used by a customer from June 16 through September 16 is \$0.13582 per Kwh. The charge for the other eight months of the year is \$0.13582 per Kwh for the first 600Kwh and \$0.10938 for each Kwh thereafter. The usage charge is for the thousands of gallons used by a customer. The charge is \$3.08 per one thousand gallons used.
- 13) The charge for programs assisting with energy efficiency promotion and education.
- 14) The charge for the difference between fuel and purchased power costs established in the current rate structure and the actual fuel and purchased power costs incurred by the company. This rate changes twice a year. If fuel costs are less than what is established by the current rates, customers will see a credit in the Fuel Charge line. The cost includes no mark-up or profit for the company.
- 15) Customer's portion of the costs for fire hydrants within their community.
- 16) Taxes, fees and other assessments.
- 17) Total charges for the billing period.
- 18) The amount due from the customer by the due date.
