RE: Asbury CCR Impoundment – Annual Inspection

To Whom It May Concern:

PPI completed both a Periodic Safety Factor Assessment and a Periodic Structural Stability Assessment in 2024. These documents were published on December 13, 2024. In accordance with CCR Rule Section 257.83(b)(4)(ii), a formal Annual Inspection was not required in 2024 since both of these Reports were published during the calendar year. Completion of the Annual Inspection will resume in 2025.
