

# Storm season ready

Our teams are ready to respond in extreme weather. You can be too.

- Have an emergency plan in place
- Keep additional supplies on hand such as water and extra batteries  
– follow the checklist on the back of this insert
- Sign up for outage texts and email alerts through Liberty's My Account and stay up-to-date on power outages and estimated restoration times

Liberty™

# Emergency supply kit checklist

Liberty encourages you to prepare for extreme weather. Use the helpful checklist below to build your emergency supply kit and store these items in an easily accessible location.

- First-aid kit
- Essential medications
- Battery-powered radio
- Flashlight and extra batteries
- Canned food and can opener
- Bottled water (at least one gallon per person per day)
- Charge all phones
