LIHEAP
The Low Income Home Energy Assistance Program (LIHEAP) could help you in two ways: **Energy Assistance (EA)** and **Energy Crisis Intervention Program (ECIP)**.

- **EA**: Energy Assistance (EA) helps you with a one-time payment for your home’s heating bills from November through March.
- **ECIP**: The Energy Crisis Intervention Program (ECIP) helps pay your home’s energy bill when your energy is shut off or is threatened to be shut off.
  - **Winter ECIP** Lasts November – May based on funding; you could receive up to $800
  - **Summer ECIP** Lasts June - September based on funding; you could receive up to $600

You may qualify for LIHEAP if:
- You meet specific income guidelines that vary according to house size and fuel type
- You pay your home’s heating and cooling costs
- You are a U.S. citizen or a permanent legal resident
- You have $3,000 or less in your accounts

How to apply for LIHEAP:
Call 1-855-373-4636 to have an application mailed to you or visit https://mydss.mo.gov/energy-assistance

Liberty Utilities Electric Assistance Programs
Call 1-800-206-2300 Monday – Friday from 7:00 a.m. – 7:00 p.m. to talk to us about the following options that may be right for you.

**Project Help**
Project Help is a Liberty Utilities program that helps customers who need one-time help with their electric bill.

You may qualify for Project Help if:
- You are a Liberty Utilities electric customer
- You are over the age of 60 or are disabled
- You don’t qualify for other forms of help

**Action to Support the Elderly**
Action to Support the Elderly is a Liberty Utilities program that helps those who are handicapped or over the age of 60 with their energy bills. For Liberty Utilities customers who qualify, late fees are waived, due dates may be changed, and deposits may be waived.
Low Income Pilot Program (LIPP)
The Low Income Pilot Program (LIPP) is a Liberty Utilities program that covers a part of qualifying customers’ monthly energy bills. In order to qualify, customers must meet LIHEAP income guidelines.

Payment Arrangements
We have a special payment arrangement program to help customers with bills during COVID-19.

Assistance Agencies
If you need help with your Liberty Utilities electric bill, contact us. We can refer you to local agencies that may be able to help you.

IF YOU’RE MEDICALLY DEPENDENT ON ELECTRICITY

Medical Extension (Doctor’s certificate required)
If you are a Liberty Utilities electric customer and you or a permanent member of your household have a medical condition that will worsen after a loss of electricity, you may be eligible for a 21-day medical extension.

Medical Designation
If you are dependent on medical equipment that requires electricity, please contact us for a Medical Designation Form that is to be completed by your doctor. This information is good for power outages but does not guarantee that you won’t lose service.

Notifying Customers Before a Disconnect
We will attempt to notify customers the day prior to disconnect. Never ignore a disconnect notice. If you get one, call Liberty Utilities as soon as possible.

Storms can lead to unplanned power outages; be prepared!
• Make a plan with your friends and family in case of a power outage.
• Talk to your doctor and ask for back-up options in case you lose power.
