

# Generac Generator Promotion

Purchase and install a new, qualifying Generac generator and receive a 7-Year Extended Warranty, 1st Year Maintenance and a year of Dealer Monitoring ALL FREE! Plus, \$250 off the installation price.

## HOME BACKUP POWER. COMFORT. SECURITY. CONVENIENCE.

A permanently installed Generac home backup generator protects your home automatically. It runs on natural gas or liquid propane (LP) fuel, and sits outside just like a central air conditioning unit. A home backup generator delivers power directly to your home's electrical system, backing up your entire home or just the most essential items.

## Why Generac?

### 1) Mobile Link™ Remote Monitoring FREE with every Guardian Series Home Standby Generator

Allows you to monitor the status of your generator from anywhere in the world using a smartphone, tablet, or PC. Easily access information, such as the current operating status and maintenance alerts. With Mobile Link, you are taken care of before the next power outage.

### 2) Automatic Operation

Don't worry about having to be home to start and turn off your Generac home standby generator because it does that automatically--whether you're home or away.

### 3) Refueling Not Necessary

Your Generac home standby generator runs on your existing natural gas or LP fuel supply. Save the gas cans for your other outdoor power equipment.

### 4) The #1 Selling Brand of Home Backup Generators

Generac created the home standby generator category. Today, our generators are preferred by most homeowners who invest in home backup power.

### 5) Power Directly to Your Home

You'll never have to run an extension cord through a window or door again. Your Generac home standby generator safely delivers power right to your home's electrical panel.

### 6) 24/7/365 Customer Support

Power outages aren't a 9-to-5 thing. That's why we're standing by all day every day from our headquarters in Wisconsin to answer any questions you might have.

## Terms and Conditions\*

Offer redeemable only when customer schedules a free in-home assessment with Generac Power Systems' Consumer Sales Team (not directly with the Generac dealer). Customer must also purchase a new and qualifying Generac automatic standby generator with a participating authorized Generac dealer\*. Refurbished products are excluded from this offer. The free promotional items are: a 7-year extended-limited warranty for air-cooled and liquid-cooled home standby generators, first year of maintenance, one year of dealer monitoring, and \$250 off installation cost. Generac Power Systems provides the 7-year extended limited warranty, while the first year of maintenance, first year of dealer monitoring and \$250 off installation is provided by the Generac dealer that sold and installed the unit (must be one in the same). "Service" is defined as a one-time provision and installation of an inspection of fuel connections and battery terminals and the replacement of the oil, oil filter, air filter and spark plugs. Generator must be installed and activated in order for the warranty to be applied. The only Generac home standby generators that qualify for this promotion are the following models: 7031, 7032, 7033, 7035, 7036, 7037, 7038, 7039, 7042, 7043, 7141, and 7142. Limit one promotional offer per household. Proof of purchase along with other documentation may be required to receive this offer. Individual prices may vary. Generac reserves the right to modify and/or rescind this offer at any time without notice. Offer valid only on qualifying purchases made in the United States (excluding American Samoa, Guam, Northern Mariana Islands, Puerto Rico and the U.S. Virgin Islands). Additional terms and conditions may apply. For more details, contact Generac Power Systems' Consumer Sales Team at (844) 848-6850.
