

September 14, 2026: Attention Oakbrier Estate water customers in Poplar Bluff, Mo.

Due to a main break, a low-pressure event affected Oakbrier Estate water customers in Poplar Bluff, Missouri. Repairs have been made, and customers on that system are under a precautionary voluntary boil advisory. The advisory will allow for a required bacterial test to ensure the system is safe. Customers are encouraged to follow the safety guidelines below.

During a boil advisory, it is recommended that customers:

- Boil water vigorously for three minutes prior to use for cooking or drinking.
- Let water cool sufficiently before drinking.
- Disinfect food contact surfaces (dishes) by immersing them for at least one minute in clean tap water that contains one teaspoon of unscented household bleach per gallon of water.
- Dispose of ice cubes and remake with water that has been boiled.
